Summary

Enthusiastic and proactive professional with a strong commitment to driving results through a solutions-focused mindset. Known for cultivating positive relationships and encouraging teamwork, I thrive in fast-paced environments and excel at identifying opportunities for improvement. My goal is to leverage my skills to contribute to a dynamic team and support organizational success.

Experience

- **Technical Course Specialist Facilitator** - Portland State (January 2024 - Present)
  - Provided comprehensive support and guidance to students enrolled in computer science courses, ranging from beginner to advanced level computer science courses
  - Assisted students in understanding complex programming concepts and logic, ensuring their comprehension and success in coursework
  - Facilitated guided coding labs, presenting course materials and providing clarification on topics, thereby aiding students' understanding and application of beginner or advanced programming concepts
  - Utilized problem-solving skills to assist students in troubleshooting technical issues and debugging programming assignments
  - Demonstrated strong interpersonal skills and patience in supporting students from diverse backgrounds and skill levels
- **Licensed Captain** - Sail Scovare (July 2023 - Present)
  - Conduct guided tours on the Willamette River, providing enriching experiences and sharing insights into Portland's history
  - Instruct sailing lessons, imparting fundamental skills and fostering a love for sailing among participants
  - Demonstrate deep expertise in sailboats and powerboats, ensuring the safety and enjoyment of all passengers through comprehensive knowledge and proficiency in maritime practices
  - Offer personalized tour route suggestions based on client interests, ensuring a tailored experience that highlights the best of Portland's waterways and surrounding scenery
  - Share captivating tales of Portland's history and local legends through tours, ensuring an entertaining and memorable experience for guests of all ages
- **Personal Computer Technician** - Aloha Computer Tutor (January 2022 - Present)
  - Assist elderly clientele with a variety of technology issues, all from within the comfort of their home
  - Clearly communicate technical concepts and instruction sets to create positive outcomes for how to use their electronics
  - Address questions and concerns from elderly clients with patience and clarity, ensuring they feel confident and supported in using their technology
  - Deploy and maintain antivirus and connectivity software
  - Provide concierge support for any questions related to their electronic devices (phones, computer, tv etc)
- **Inside Sales Associate** - Turning Point Brands (December 2017 - November 2019)
  - Field over 100 inbound customer service or sales phone calls in a day
  - Close high dollar sales on new or existing accounts
  - Help customers resolve shipping issues with their packages they ordered
  - Reach out to businesses through cold calls or a book of business and generate new orders for the company
  - Built a sales pipeline by maintaining call goals of over 50 outbound calls or 4 hours of talk time a day
